SUBJECT: FUNCTIONING OF THE ECUBED WEBSITE FOR THE COMPULSORY ONLINE TRAINING FOR PYEI (IV)

This memo serves to announce that the eCubed website is up and running again, there are three (3) compulsory training courses that **MUST** be completed online for PYEI (IV) using the following links:

- Orientation: <https://learn.ecubed-dbe.org/courses/pyei-orientation-training-beei/>
- Kitso (Online Safety training: WhatsApp "Hi" to +27 76 593 7181 to access)
- NSSF: <https://profdevplus.org/course-tag/national-school-safety-framework/>

The successful candidates must be informed to go online using the Departmental issued WIFI routers at school level to complete the compulsory Generic Orientation, Digital Literacy, Online Safety Training, and National School Safety Framework (NSSF).

These trainings are a requirement before EA's and GSA's can be appointed, the youth that fail to complete the training will have their contracts terminated after February 2023. All three certificates must be loaded on the NCDoe GovERP online module for PYEI (IV).

As we advocate for this Training, let us remember to encourage the Youth to also apply for the NEMISA course, the closing date for its applications is on **22 February 2023**.

Your support in the implementation of the PYEI (IV) is highly appreciated.

Yours Sincerely

Mr. T. VAN STADEN
