

Grade 12 learners who were unsuccessful during their Matric examinations, are invited to attend the Second Chance Matric Programme. In doing so, they are offered the opportunity to obtain a Matric Certificate.

### Who qualifies to attend the Matric Second Chance classes?

#### Phase 1

1. Candidates who have failed during 2019 are allowed to register for the Second Chance Matric Programme, provided that they have already registered at the local Examination and Assessment offices at the District or Provincial Office to write the **May/June Examination (Supplementary Examination) to be written during May / June 2020**.
2. ASC - Amended Senior Certificate (old matric) Unsuccessful candidates who wrote between 2008 - 2019, can also attend classes to write the Examination during **May/June 2020**, provided they have registered at examination offices (**blue form**).
3. Candidates who failed between 2008 - 2019, **BUT ARE OLDER THAN 21 YEARS**, however, have the option to write the **Amended Senior Certificate in June** if they so wish. Should older candidates who failed the NSC examination choose to write during May/June, they will forfeit Life Orientation. They will also not be allowed to revert back to the NSC.
4. Unsuccessful candidates who wrote between 2017/2018/2019 **and are younger than 21 years**, are referred to as Part Time candidates. They can also register for the Second Chance Matric Programme, and write the examination during November 2020. (Pink application form). These applications will only be dealt with from **February 2020**.

**All candidates who want to attend the Second Chance Programmes, will have to provide proof of registration before they are allowed to register for the Second Chance Classes.** Proof of registration must be submitted for registration of the Second Chance Program at the respective centres.

**NB.** Registration for the June examinations closes on 31 January 2020 at the Examination and Assessment offices.
